

2 January 2006

Dear Chemfiesta visitors,

This file is no longer available. Unfortunately, there were some issues with plagiarism with one of the worksheets that another teacher submitted to me. As a result of this discovery, I have decided to permanently remove all files from this site that I have not personally produced.

Remember, always get permission from the original author if you use their material. Otherwise, you're just stealing.

Best,
Ian Guch
